Pray for Wick, Lybster and Thurso North Coast, as it affects workload of Howard. For health, strength and power in the Holy Spirit.

THURSO & NORTH COAST

We are having a congregational meeting where the development plan will hopefully be approved before being submitted to presbytery.

WICK & KEISS

Please pray for planning meetings scheduled in August, and God's guidance in creating a church plant team.

Several in our congregation are full-time carers - please pray that they'd be supported, strengthened and given some respite where possible.

Thankful for fellowship on Zoom joint prayer meetings with both congregations and several young men willing to pray.
